# SpeeDelight

## Maximum taste at record speed

SpeeDelight is the new professional solution for businesses on the move: it's a dual-plate appliance with the **first and only combination of three direct and indirect cooking technologies**. Serve delicious food fast: more than a snack, it's a complete taste experience.

### ► Speed: turnover like you've never seen it before

SpeeDelight puts your business on another level: record speed compared with a traditional sandwich press.

### ► Food quality: tantalizing and healthy, a feast for all the senses

The excellence is in every detail: thickness, crispness, grill marks, taste and flavor. Just right, every time.

### ► Variety of menus: something for every palate

SpeeDelight cooks a wide range of foods: sandwiches, roll-ups, tacos, pizzas, bakery items and much more. Multiple cooking programs in a single solution.

### ► Simplicity: no worries for you or your staff

Ease and comfort are SpeeDelight's core values from every angle: from set-up to daily use and maintenance. Plus a premium Customer Care package.

### ► Connection: sustainable integration with your workspace

With its attractive design and 24/7 smart connection, SpeeDelight will fit right in with your kitchen management system, while its green technology is good for the environment.

**"Frees my creative side, and customers keep coming back"**

It's hard to create original menu items when the lunch-hour rush makes it a challenge just to keep the line moving. With SpeeDelight's **flexible cooking programs** and **incredible speed**, I can serve up a quesadilla, a sandwich or a pizza and still have time to make my customers feel welcome. They love the food and the relaxed atmosphere and keep coming back for more. I can cook and serve with a smile, and I can't wait to try new ideas!

**MR SMITH**

Ideal SpeeDelight Owner

# Back to the crisp Quality on every level

Innovation and technology make sure snacks are perfectly crispy outside and cooked just right inside thanks to SpeeDelight's **three cooking systems**. The plate settles with just the **right pressure** and **opens automatically** when your snack is ready. **All guesswork is gone**: the result is exactly what's on your menu, **each and every time**.

#### ► The perfect cook for every layer

With **TRIPLE PLAY**, SpeeDelight combines direct cooking (contact plates) and two kinds of indirect cooking (infrared and microwaves): cold, undercooked ingredients are a thing of the past.

#### ► Self-adjusting upper plate

The plate knows just where to settle, depending on the food: whether you're cooking a pizza, a bakery item or a panino, **PERFECT SQUEEZE** will make sure it's perfect.

#### ► Won't burn no matter what

The **HAS YOUR BACK** function opens the lid automatically when your snack is ready. Relax: it's not going to burn.

# Out-of-this-world menus for all tastes

With SpeeDelight you can serve **your kind of healthy, tasty food**. Its cooking programs are perfectly suited to many styles of cuisine, including **street food and local delights**. Invent new snacks and you can be your customers' guide to the infinite world of taste.

## ► Total flexibility for every cuisine

Stand out with amazing food whatever your niche. With the **IDEA MATCHER** function (up to four different programs/cooking cycles), you're no longer limited to grilling or heating but can combine your favorite techniques.

## ► Sweet and savory snacks to your heart's content

Automatic and customized cooking programs: the LED display will keep you on track by showing the countdown and the program selected.

# SpeeDelight: the game changer

## Peerless cooking performance

### TRIPLE PLAY

# SpeeDelight

## Stun them with speed

SpeeDelight will amaze you and your customers alike: perfectly **delicious toasted snacks with grill marks** are ready in less time than with any other appliance. The contact plates and infrared radiation reach 100-250°C (212-482°F) and the core of the product 60°C (140°F) in a flash. This unique combination means **a perfect sandwich in under a minute: more than three times faster than a standard press!** Serve flawless snacks in no time and optimize your precious resources. The extra time is all yours!

► **Quick to cook**

Fine food, surprisingly fast.

► **Safe to serve**

The lid opens automatically when your snack is ready. Just serve and repeat!

► **Easy to use**

SpeeDelight's handle and locking mechanism are designed to be opened with ease. So you can get your food cooking even faster.

# Creative cooking has never been easier

With SpeeDelight, simplicity is at your fingertips: with **plug-and-play** installation and a user-friendly control panel, it requires **no ventilation hood** and the non-stick plates are easy to clean. Experiment to your heart's content: only your ideas will leave a mark. **One perfect sandwich or a hundred**: each one is as good as the last.

## ► Minimum effort for maximum performance

Simplicity is the word: no experience or special skills required.

Consistency, too: get the same great quality no matter who operates the machine.

## ► Hassle-free maintenance

The removable cooking top and ventilation filters

and the streamlined design ensure easy access and cleaning.

# SpeeDelight: 360° innovation

In a class of its own  
with these exciting features:

## Green technology

The exclusive **Energy Saving Mode** is good for the environment and your bottom line. Be green and close the lid when the stand-by notification appears: SpeeDelight will consume **60% less energy!**

## Easy to service

Quick access to inside components makes maintenance a snap with an on-site visit from one of our thousands of professional technicians. Safe and practical to use, safe and practical to maintain.

## Streamlined and ergonomic
