

Speed Pro

FEEL THE DIFFERENCE

The new Speed Pro range gives way to the reinvention of a generation of juicers that provide an even more efficient, safe and impeccable service both in the Retail sector and in Food Service.

The revolutionized version of our Speed; this model is designed for restaurants with high juice demand. It sits perfectly on countertops, and its side peel buckets makes it easy to maintain and clean.

MODERATE MEDIUM HIGH

ACCESSORIES

D65 SQUEEZKIT

This accessory permits squeezing fruit with less than 2 1/2 in (65 mm) diameter such as small oranges, tangerines and limes.

DCS SYSTEM

Squeezing soft and very ripe citrus fruit has a solution. There is no fruit that resists its dynamic blades.

ZUMEX DISPLAY

For you to always have your freshly squeezed juice bottles ready to take away. Available in two sizes.

SELF SERVICE TRAY KIT

Front support that is secured to the module, enabling the tray to be left on it in self-service establishments.

COUNTER TOP KIT

Integrate bar counter waste management in the most practical and clean way with the Counter Bar Kit.

BOTTLE RACK

Ideal for self-service applications, where there is a need to dispense bottles, jars or glasses. Includes three trays.

Zumex Pack, with 6 bottle formats and customizable labels.
